

2008 DATES - ACCOMMODATED

- G = German speaking translator on tour. Note: These tours are still conducted in English.
- Min age is 18 (min age is 15 when accompanied by a parent or guardian) and maximum age on accommodated tours is 65. Passengers over the age of 65 who wish to travel with us require a medical clearance letter from their doctor stating they are fit to travel in Africa.
- Fam = Family departure. Minimum age = 8 years. Maximum age = 80 years.
- All tours have a minimum number of 4 passengers. The maximum is 18 on Accommodated Tours except for East Africa.
- Towels are not always provided, so all passengers need to bring their own.
- Sleeping bags are not required in Southern Africa, but they are required on all East African tours.
- All nights on Southern Africa accommodated tours are in twin rooms unless a single supplement is booked (4 per tour).
- A single supplement is mandatory for all single bookings. We can find other passengers who are looking to share a room on request.
- Although we will do our best to provide twin accommodation in East Africa we cannot confirm this.
- Our Accommodated Tours are intended as an upgraded camping product. In order to keep our fantastically low prices on these tours the accommodation that we have booked is not luxury! Please expect 1-2 Star lodges and chalets. We also make use of permanent tents in certain areas.
- Before you go on tour be sure to read your copy of your Tour Dossier and the Pre-departure Information. These documents are updated regularly and contain information that is vital to the enjoyment of your tour.
